

Silent E Words List

Silent “e” is a powerful little letter! Though it doesn’t make a sound, it can change the entire pronunciation of a word, like turning “cap” into “cape” or “hop” into “hope.” Below, you’ll find a list of silent “e” words, organized to support reading instruction, phonics lessons, spelling practice, and classroom literacy centers. These words are perfect for reinforcing the magic “e” rule and helping students recognize long vowel sounds in print.
