

# Word Sorting Worksheet: Glued Sound Patterns

## Instructions:

Sort each word from the list into the correct column based on how it sounds at the end: **-ang**, **-ing**, **-ong**, or **-ung**. Write the words in the table.

## Word List (Mix Before Sorting)

bring, bang, ring, long, strong, sting, king, wrong, flung, lung, sang, hung, song, swing, clang, rung

| -ang Words | -ing Words | -ong Words | -ung Words |
|------------|------------|------------|------------|
|            |            |            |            |
|            |            |            |            |
|            |            |            |            |
|            |            |            |            |

## Extension Ideas:

- Say each word out loud and clap when you hear the glued sound.
- Color each column with a different color.
- Pick one word from each column and write a silly sentence.
